A collection capturing a concert in Chicago in February 1978. Unfortunately, the liner notes by Ron Bartolucci give no details on the names of musicians on stage alongside Albert. Sometimes a little flat, there are, however, some good moments here and there: "Born under a bad sign", "You're my woman I'm your mate", "Please come back to me". The Blues Forever CD is an exact copy of the original Charly Records CD "Chicago 1978". ---discogs.com
