Umberto Giordano's opera, Andre Chenier is set during the French Revolution. It is a love story based on the life of a real historical character, the poet Andrea Chenier. He was initially an ardent supporter of the revolution but subsequently became a victim of the Reign of Terror and was guillotined.

A great tenor, soprano and baritone are required for a successful performance of this work. The Vienna State Opera provided the goods. Argentinean tenor Jose Cura proved to be a passionate Andre Chenier although his voice has lost some of its sheen ... --- bravocura.com
