Stevie Zee is one of the most talented guitarists in the business. Extremely versatile, he can switch from blues to rock to jazz to fingerstyle to country at the drop of a plectrum. His fiery and awe-inspiring style of playing, places Stevie firmly in the tradition of guitarslingers such as Jimi Hendrix, Stevie Ray Vaughan, Jeff Beck, Ritchie Blackmore, Johnny Winter, and Peter Green.

Stevie is the real deal. Out of his bag of supercharged blues come a host of crowd-pleasing tricks blended together with a strong voice and a fine set of songs skillfully performed with style, passion, dynamism and professionalism rarely seen today.

Stevie spent a lot of time in the USA appearing at many major blues festivals as well as many of the clubs and concert venues in and around the Pacific Northwest of Oregon, Washington, Idaho, and California. Stevie has performed with Johnny Winter, Pat Travers, Coco Montoya, Bad Company etc. Back in Europe, he began work on two new projects in the studio.

Stevie has made appearances at the Great British R&B Festival in Colne, the Brentwood International Blues Festival and many venues in Spain, Ireland and France. Stevie is currently touring Spain while basing himself in Madrid. Stevie Zee and his band are ready and eager to take your heart and soul on their journey into 21st Century Blues. ---last.fm
