Bella Morte sings songs of love and loss, hope and despair. By combining electronics, graveyard ballads, emotive storytelling and unique guitar riffs, Bella Morte have developed a style that is solely their own. They have released 2 EPs and 7 full-length albums, the latest (titled "Before the Flood") released in 2011 by Metropolis Records. As the band continues to tour the world and write new material, they remain eternally thankful to have been able to make a living doing what they love: singing songs about the dead and winning over the hearts of the living along the way. ---reverbnation.com
