Kat Dahlia - Seeds (2013)

1.Happy and I Know It (Ft. J. Dot Productions) 2.The High (Ft. Production by Matrax Productions) 3.Game of Life (Ft. Production by Matrax Productions) 4.Fucking Trust (Ft. Production by The Page Brothers) 5.302 (Ft. Production by Matrax Productions) + 6.I Got Another Man (Ft. Production by Arthur McArthur)

Before she releases her debut album "My Garden" in 2014, Kat Dahlia decides to plants some "Seeds" with her new 6-track mixtape. It dropped on Thursday, November 21st, 2013. Kat Dahlia's future brightens with every new release, and Seeds certainly isn't an exception. It's a fitting addition to a solid catalogue that Kat Dahlia has been developing since stepping foot in the game. We're excited to hear more. ---hotnewhiphop.com

I didn’t expect this at all. The Cuban with the ill smoky voice drops this on us for free, 6 songs where she sings, raps & continues to hit us with the 1 of the illest voices in music today.---illuminati2g.com
