Sam Green and the Midnight Heist are an Alt Americana/Roots Rock band from North Devon in the UK. The band is made up of Sam Green (vocals, slide, electric and acoustic guitar), Lucy Green (vocals, banjo and acoustic guitar), Paul Hopkins (vocals and double bass) and Steve Tanton (vocals and drums)….

Slide guitar, with a deep Southern road trip sound. Sam Green and the Midnight Heist is a spectacular live band that you cannot imagine would translate easily to an MP3. This EP overcomes any element of limitation with a superb sound that captures the musicality of this extraordinarily talented artist. I've seen Sam Green and the Midnight Heist several times live and can honestly say that this EP is as true a representation of that experience as you are likely to ever get…. ---J.
