Arthur Rubinstein - piano

I can't believe the sound quality from about 30 yrs ago can be this crystal! When I listen to it I am stunned by the work that all the people did on this CD. Especially, Artur's beautiful playing will make you smile then. I said to myself 'why can't others do this!! why!!'. It's the best version of Chopin The Nocturnes I have ever hear on sound quality and playing, compares to the other two version with unnamed players. ---L. Zhao, amazon.com
