Tzaadi 12. Puncha Puncha 13. Shalom Aleihem (Radio Version) play Avishai Cohen - Double bass, Bass guitar, Piano, Vocals
Avishai Cohen – composer, arranger

Now one of the most popular jazz players of the past decade, Avishai Cohen takes his artistic approach to its zenith, with Seven Seas. Featuring nursery rhymes, lullabies and suites in which heroic inspiration and symphonics abound. Seven Seas plunges us into a fabulous sound voyage, in which understatement and magnitude play a never-ending game of ping-pong, a trip that easily transposes to the silver screen. Once you get past the opening credits dripping in joyful nostalgia, you steer past isles of rhythm and continents of sound, winding up with a traditional piano ladino with Cohen's intense vocals. --- avishaimusic.com
