“Superb, original and compelling….harmonica master Musselwhite sets the standard for blues.” –ROLLING STONE Harmonica master Charlie Musselwhite’s life reads like a classic blues song: born in Mississippi, raised in Memphis and schooled on the South Side of Chicago. A groundbreaking recording artist since the 1960s, Musselwhite continues to create trailblazing music while remaining firmly rooted in the blues. His worldly-wise vocals, rich, melodic harmonica playing and deep country blues guitar work flawlessly accompany his often autobiographical and always memorable original songs. Living Blues says, “Musselwhite’s rock-solid vocals creep up and overwhelm you before you know it. He plays magnificent harp with superb dexterity and phrasing. The results are amazing.” --- charliemusselwhite.com
