Brews. Booze. Blues. Sounds good, right? Ridiculously delicious brisket abounded, drinks flowed freely, and Black Cat Road blue the roof off. Where do you go to a foodie event and see everyone crowded around the band, taking videos? ---Amy Paradysz!, blackcatroad.com

Swamp Rock & Blues, funky, soulful, emotional, rootsy, raw tales from icy bayous, a dirt road with some twists and turns you may want to slow down for. ---cdbaby.com
