Nuno Mindelis – Apresenta Outros Nunos (2006)

01 - Tenho Medo 02 - Mas Que Nada 03 - Rei Dos Animais 04 - Se Eu Fosse Um Dia O Teu Olhar 05 - Como Dois Animais 06 - Gosto Do Jeito 07 - Siglas 08 - Nunca Se Esqueça 09 - Chove Chuva 10 - Bossa Folk 11 - São Paulo 12 - Não Me Diga Nunca Mais 13 - Fica Para O Próximo Disco

This is the Nuno Mindelis project I have been waiting for. This is a radical departure from the wonderful 12 Hours CD. All the songs are in Portuguese this time, and the styles wander from track to track. Not to worry, there are blues influences to be found -- and much more. Nuno's playing is tasteful throughout, whatever the genre, and the lyrics of the self-penned songs are pure Nuno. Tenho Medo is funny and clever, the acoustic Sao Paulo is simply gorgeous. On the track Siglas (Acronyms) Nuno sounds like he's doing Polish Hip Hop. Check out the lyrics. Chove Chuva? Be there.

Even if you don't know a word of Portuguese, if you love Nuno, you will want this CD. Every track will be a surprise for you, and as others have noted, Nuno Mindelis knows how to put together a coherent whole. My only regret is that before you know it the CD is over, and you are wanting more. If you've never heard Nuno, you can't go wrong with this CD. --- Jim Quist, amazon.com
