Anthemic CCM pop duo, For KING & COUNTRY, follow up their Grammy-winning 2014 LP Run Wild. Live Free. Love Strong., with Burn the Ships, a powerful 11-track album that mixes their signature blend of dynamic rock and electronic pop with classical and choral elements. Led by the bright single, "joy.," brothers Joel and Luke Smallbone explore themes of hope, forgiveness, faith, and new beginnings on their ambitious third album. ---Timothy Monger, allmusic.com
