Like An Angel Doro Pesch – Vocals Nick Douglas - Bass Jürgen Engler - Bass, Guitar, Keyboards, Producer Andrew Goodsight - Bass Jimmy Harry - Bass, Guitar, Keyboards, Mixing, Producer, Programming Christopher Lietz - Drum Programming, Keyboards, Producer

It's such a shame that the American public has not discovered this true diamond of rock and roll music. I first discovered the sounds of Doro when she was with Warlock in the 80's and have been a fan ever since. Anyone who's into techno-tinged aggressive heavy metal with a bit of a cheese metal flavor is in for a treat with Doro. She is a poet and a musician (something quite rare in today's world of rampant hip-hop and flavorless boy bands). This one's a bit darker than some of her earlier works, but it's a sheer pleasure on the ear. As always, Doro's voice is sexy and emotional, and I recommend her every chance I get. --- Aubrey R.
