Completing 20 years on the road (since 1987), Blues Etilicos is a brazilian blues band that presents a “nacional version” of one of the most popular north-amercian genre. The group has played numerous festivals, performed with many visiting American blues artists (i.e. Buddy Guy, Robert Cray, Magic Slim and so many others...), and recorded 9 albums of Brazilian-flavored blues. They are the band that BB King had chosen to open his last show in Brazil in 2004.
