WOW Gospel 2009 is a gospel music compilation album from the WOW series. Released on January 27, 2009, it includes thirty songs and two bonus tracks on a double album. It reached number 27 on the Billboard 200 chart in 2009, and number one on the Billboard Top Gospel Albums chart. The album cover pays tribute to the United States of America, particularly with the 2008 election and 2009 inauguration of U.S. President Barack Obama. (Coincidentally, this album was released exactly one week after the latter.) WOW Gospel 2009 has the only number one gospel chart hit: "Never Would Have Made It".
