R&B little big band Roomful of Blues has been one of the most enduring institutions in American music, and a showcase for some of the best blues talent in the world. On this collection, Roomful showcases a repertoire that perhaps no other band can play so well: the classic, horn-driven R&B of the 1950s. These swinging, in-the-pocket performances are the essence of Roomful's jump blues sound. ---concordmusicgroup.com
