Some months ago, American singer song-writer and guitar player Bill Lyerly decided to settle in Spain. So, he has already published an excellent cd for Gaztelupeko Hotsak records, with eleven own songs including blues and Americana music. In fact all songs were previously recorded and mastered at UK Abbey Road studios, UK. Bill Lyerly has a wide musical career and he has shared stage or played with such great artists like Bo Diddley, John Lee Hooker, Paul Rodgers, Gregg Allman, Leon Russell, Hank Ballard, Eric Burdon, Fabulous Thunderbirds or Delbert McClinton. A powerful and gratifying album, which will purify your soul and recover you body. Congratulations Bill for your fruitful thirty years into the music business and this amazing present you give to good fans. GREAT. --- billyerly.com
