Recorded between 1995 and 2001, this CD is the first all-acoustic recording by Motor City Josh. Detroit Michigan native Motor City Josh was briefly based in Chicago and then moved back to Home to Detroit. Performing around 300 shows a year which include most of the United States, England and Scotland, Josh has built a substantial following everywhere he goes. A variety of original tunes, as well as some covers are featured on this disc. Long time fans of Josh's acoustic shows will hear many favorites. (Yes, it has the "Kitty Cat" song.)
