In the late summer of 2008, the Thirsty Perch Blues Band solidified their lineup and built their foundation as a powerhouse rockin blues band that can best be described as a howling hurricane of a five piece ensemble.

Their truly diverse musical influences are the driving force behind a proprietary sound that simply can` t be matched by your average blues band on the local scene.

MEET THE THIRSTY PERCH BLUES BAND, their debut CD includes eleven tracks of great Rockin Blues !
