Kenn Lending Blues Band was formed in November 1980, by the Danish singer and guitarist Kenn Lending. Kenn had already been very active, in several reputable Danish groups, since 1973. But forming his own blues band, fulfilled a dream, that he had, since he saw T Bone Walker live on stage in 1968. Besides appearing as concert headline, the band over the years has backed touring artists like Champion Jack Dupree, Memphis Slim, Mickey Baker, Aron Burton, Jan Harrington, Louisiana Red and Lillian Boutté.
