Mestres do Blues 05 - Johnny Winter – The Texas Tornado (1992)

1. Road Runner 2. Gangster Of Love 3. Leave My Woman (Wife) Alone 4. I Can't Believe You Want to Leave 5. That's What Love Does 6. Five After Foru A.M. 7. Out of Sight 8. Parchman Farm 9. Low Down Gal of Mine 10. Goin' Down Slow 11. Leaving Blues 12. Kind Hearted Woman

This is a decent Johnny Winter record of material from his early days, before he became a famous Blues-Rock guitar player. "Roadrunner" pales in comparison to the Bo Diddley version, but "Kind Hearted Woman" and "Low Down Gal Of Mine" are enjoyable. "Gangster Of Love" lacks the power of the Johnny "Guitar" Watson original. If you want to hear Johnny Winter at his best, his first four albums are probably what you're looking for. ---Daniel B.
