Lovely's performance...was one of the most unexpected pleasures of recent memory. Oregon-based, she arrived with little advance notice, backed by a four piece band that interacted with almost symbiotic musical togetherness, enthusiastically riding the surging crests of her passionate interpretations of the blues. Lovely's style begins from sources within such classic blues singers as Ma Rainey and Bessie Smith. And, like Janis Joplin before her, she has translated those influences into an utterly gripping contemporary style of her own. Her set, which ran non-stop, was superbly supported by a band that could do no wrong. ---Don Heckman, INTERNATIONAL REVIEW OF MUSIC

Known for her passionate, driven performances, this powerhouse vocalist delivers a blistering mix of contemporary & old school blues. Her sophomore release, *STILL THE RAIN*, was nominated for 3 Blues Music Awards including "Best Contemporary Blues Album", "Best Song" and "Best Contemporary Blues Female Artist" and topped the national blues and roots charts. --- karenlovely.com
