Noordwijk – Bluesband Electric Blues brings her new album 'Desert Pain'. Electric Blues debuted in 1979 with the album going 'Still Strong'. Desert Pain was recorded in March in The Box Studios. The album consists mainly of blues, it was written and composed by drummer and vocalist Henk Vegt. The title song Desert Pain is about the wife and daughter of Wendel Hillebrands. Dirk Jan Booij used the song as the inspiration for the cover of the album. ---
