"Women blues-guitar players such as Bonnie Raitt, and more recently Susan Tedeschi, have paved the way for artists like Skyla. Many women in the blues have great voices and have made their careers singing the blues, but not too many can double it up, slice it, dice it and sacrifice it on the best Fender has to offer like Skyla can." - Music Monthly Magazine

In 2008 the Skyla Burrell Band signed with Blues Boys & Divas Talent and toured extensively in the South and South-East as well as up and down the East Coast. In July the band released their third CD of all original blues "Tough Luck" This time around the band worked with Todd Glazer promotions and "Tough Luck" was played on over 100 blues shows in the US and debuted on the Roots Music Report at #36 in November 2008.

"The Skyla Burrell band plays electric boogie blues that'll make your spirits soar." - Scan & Plan Extra NY
