Shakin' Abe - Next Stop. . . Avalon (2016)

1. *Thought You Knew* (4:04) 2. *Coffee* (2:15) 3. *Next Stop. . . Avalon* (2:08) 4. *Jesus Was A Capricorn* (3:38) 5. *Party Animal (Blues Version)* (3:39) 6. *Empty* (3:33) 7. *Clown Car* (3:21) 8. *Jesse (Get A Job)* (3:05) 9. *One For The Money* (3:17) 10. *Scream & Shout* (2:42)

All songs written and produced by Shakin' Abe, except *Jesus was a Capricorn*, written by Kris Kristofferson. (Used with permission). *Next Stop...Avalon* is a collection of songs that were written at different times in my life. Some autobiographical, some just for fun. If you search the internet, you might find a couple of these tunes recorded at an earlier time in my life with a much "rawer" sound. On this album, I went for more of a blues feel, much like my last release, "*King of the Streets*". ---cdbaby.com
