Vocals, Keyboards, Guitar – Booker T. Jones

Such a great record that has received so little recognition. Booker T croons like no other. "Don't Stop Your Love" is one of my all-time favorites, so smooth, so funky, so sexy, in the end.

If you're planning for a get-down this evening, put I WANT YOU on. It will convince any sensible human being out there. If this doesn't work, ask yourself if this is the right partner for you...
