Rare Swedish hard rock album released in 1992 through WEA Sweden, featuring the classy musicianship of Micke “Nord” Andersson (ex-Private Eye), Sven Lindwall and Nicki Wallin all known from bands like AB/CD, Joey Tempest, Tommy Nilsson (Easy Action) and countless Swedish album sessions. Excellent tunes, crunchy guitar riffs, great musicianship with stellar production, and of course it’s a rare gem need to be discovered. ---melodic-hardrock.com
