Double Shuffle Blues Band - Good Boys (2018)

01. Good Boys 02. Please to Meet You 03. I'm a Lover 04. Hey Oh, Let's Go! 05. Boom Boom 06. Crazy About You 07. Or Maybe Not 08. Nothing at All Mattia Rienzi - guitars, vocals Andrea Zanardo - drums Lorenzo Barutta - bass Daniele Favero - vocals

Good Boys is our second Album's title and the project we are working for a year: "We started like a cover-band; we use to play the great classic of the blues like Albert King, John Lee Hooker and the great songs of '60s-'70s of Jimi Hendrix and Lynyrd Skynyrd. Over time we separated ourselves from emulation and embarked on the unpublished musical production. After 2 years from the first covers we have evolved a lot; our genre is evolving and moving away from the true blues and we are heading towards a more modern and energetic rock. But our roots are there and will always be there! The sounds learned by playing the great musicians of the last millennium have marked us in the unconscious and if we had never left them probably today we would not be here to compose unpublished music with so much pride and passion ".
