Hubert Sumlin - Heart & Soul (1989)

01. *Your Foxy Self* 02. *Chunky* 03. *Sitting OnTop Of The World* 04. *I Want You* 05. *Bring Your Love To Me* 06. *The Red Rooster* 07. *Juke* 08. *No Time For Me* 09. *Got The Blues* 10. *Old Friends* Hubert Sumlin (vocals, guitar); Tony O. (guitar); James Cotton (harmonica); Little Mike (piano); Brad Vickers (bass); Pete DeCoste (drums).

The veteran guitarist sounds more confident and expressive vocally here than on any other of his contemporary recordings. Backing by harpist James Cotton, along with Little Mike & the Tornadoes, is nicely understated, affording Sumlin just enough drive without drowning his easygoing vocals out (no small feat). ---Bill Dahl, allmusic.com

"Sumlin is one of the unsung heroes in Chicago's blues legacy, with a style that suggests the jagged delicacy of cut glass." - Chicago Sun-Times
