Sam "Lightnin'" Hopkins (vocals, acoustic & electric guitars, piano, organ); Joel Hopkins, Eddie Hinton (guitar); Ira James (harmonica); John "Streamline" Ewing (trombone); Thunder Smith, Elmore Nixon (piano); Donald Cooks, Jimmy Bond, Lenord Gaskin, Rusty Myers, Ozell Roberts, David Hood (bass); Connie Kroll, Ben Turner, Ivory Semiens, Earl Palmer, Herbie Lovelle, Larry "Bones" McCall, Roger Hawkins (drums); L.C. Williams (tap dancing).

One of Lightnin' Hopkins' greatest & rarest releases is now out on CD. *Mojo Hand* (originally released on the Fire label late in 1960) is particularly interesting because it presents Hopkins in a context that ranges from blues to classic R&B. The album's title track, originally released as a single, has become one of the artist's signature tunes.
