Australian slide guitar phenom Dave Hole's ARIA award winning album, "Under The Spell", was released in 1999. With this album Hole continued to conquer America. Fans across the country flocked to see this modern master perform live once again and to see why Billboard wrote; "Slide guitar fanatics will have their brains blown out by this Australian fret-melter ... Remarkably inventive, technically unusual overhand slide work that separates him from the common pack of Elmore James worshippers ... prepare to hear your jaw hitting the floor." The Detroit Free Press was inspired to write, "Dave Hole is one of the best slide players ever. His relentless slide strafes and searing single-line solos come at you like a runaway truck down a mountain grade." --- guitar9.com
