Rock and Roll The Early Years

Mp4, 260 MB

Chuck Berry, Jerry Lee Lewis, The Everly Brothers, Bill Haley & the Comets and other groups who began the rock 'n' roll craze.1984

In the earliest rock and roll styles of the late 1940s and early 1950s, either the piano or saxophone was often the lead instrument, but these were generally replaced or supplemented by guitar in the middle to late 1950s. The beat is essentially a blues rhythm with an accentuated backbeat, the latter almost always provided by a snare drum. Classic rock and roll is usually played with one or two electric guitars (one lead, one rhythm), a string bass or (after the mid-1950s) an electric bass guitar, and a drum kit.
