Adam Harasiewicz - piano

Chopin wrote four Sonatas. Three for piano solo and one for piano and cello. Chopin's sonatas, and especially his opus 35 has been the target of much abuse or which can be traced to Schumann's remark that Chopin had here yoked together four of his maddest children under the same roof. The traditional Sonata form of A-B-A is in fact a very Germanish tradition and plays a relatively minor role in the development of music in France, Italy, Spain, Russia and much of the eastern Europe. --- pianosociety.com
