My name is Jon Meyer and I tell stories through music and film. My work as a media composer is played all over the globe in TV shows, films and advertisements. In my free time I combine the roles of composer and filmmaker, creating audio/visual projects of deep personal meaning.

PAPER TRAIL is a 9 song album of modern composition songs, accompanied by a 4 part film series. The album and final film will release on October 23rd, 2019. ---jonmeyermusic.com
