- The Sixteen Harry Christophers – conductor

Despite being written for the celebration of royal occasions, Purcell's Royal Welcome Songs were penned during a time of immense disillusionment with the monarchy. Filled with humour as well as an ironic detachment from the politics of the time, *Ye tuneful muses* and *Sound the trumpet* fizz with the dramatic energy which characterised his later operas and mark a crucial turning point in Purcell's career.

This programme showcases the variety and diversity of Purcell's writing, opening with the *Chacony in G minor*, which is among the great glories of music for strings, and including *When on my sick bed I languish* - an amazingly impassioned piece in which he bares his soul...quintessential Purcell! --- [thesixteenshop.com](http://thesixteenshop.com)
