The new Kuschel Jazz is there. The little sister of soft rock mixed with gentle jazz of Jamie Cullum and Diana Krall with a delicate soul of Alicia Keys and James Brown and earned thus from year to year, a steadily growing fan base.

They are sweet, soft, cuddly and their success knows no bounds. Led by Jamie Cullum, Diana Krall Till Bronner and you can continue the list of new stars on the jazz sky arbitrary. No wonder Kuschel Jazz, the album series, which began as a little sister of KuschelRock seven years ago, is now firmly established in the lounge & jazz scene. Added to newcomers such as Melody Gardot, Ingrid Michaelson or Viktoria Tolstoy, the great- great-granddaughter of the famous writer and chill-out lounge beats by Morcheeba, Goldfrapp and Jazzamor so cuddly Jazz offers
