Here's this polish dixieland group's second album for Session/MPS It's more of the same stuff
as Happy Hagaw, but this time with more humour-filled tracks (one title sung in pig latin!) and
the album has more sung titles than the first one.

Hagaw, also known as Asocjacja Hagaw, is a Polish traditional jazz band, formed as a quintet at
the Klub Stodoła in Warsaw in 1964 by Andrzej Jastrzębski. The original lineup consisted of
Jastrzębski, Grzegorz Brudko, Henryk Kowalski, Wiesław Papiński and Stanisław Piwowarski.
The lineup has since changed many times.
