Featuring A-list guests like legendary jazz trumpeter Freddie Hubbard and versatile saxophonist Ernie Watts, "It's About Time" garnered 4 ½ stars from the All Music Guide recently and the same rating from Japan's top jazz magazine, Swing Journal, upon it's original release. This gem documents the debut recording of bassist/producer Brian Bromberg on acoustic bass, using the same 300-year old instrument he played while touring with jazz giant Stan Getz at age 19. Recorded in 1991 the project has been re-mixed and re-mastered, sounding as fresh as the day it was recorded. Other featured players are Mike Garson and Mitchell Forman (piano), David Bromberg (drums), and Doug Webb (saxophones).
