Hank Jones - Bop Redux (1977)

01. Yardbird Suite 02. Confirmation 03. Ruby, My Dear 04. Relaxin' With Lee 05. Bloomdido 06. Round Midnight 07. Moose the Mooche 08. Monk's Mood Personnel: Hank Jones - piano George Duvivier - bass Ben Riley – drums

Veteran pianist Hank Jones teams up with bassist George Duvivier and drummer Ben Riley for a set of high-quality explorations of eight bop standards; four apiece by Charlie Parker and Thelonious Monk. Jones is sensitive on the ballads and lightly but firmly swinging on the more uptempo material. Typically tasteful performances come from one of the greats. ---Scott Yanow, Rovi
