Andrzej Kurylewicz – Go Right (1963)

1. *Go Right* 2. *Obsession* 3. *Green Eyed Girl* 4. *Yenom On* 5. *So-So* 6. *Nyamaland* 7. *One Step Nearer You* 8. *Minor Bop* 9. *Microphonophobia* Andrzej Kurylewicz - trumpet
Jan Ptaszyn Wróblewski - tenor sax, flute Wojciech Karolak - piano Tadeusz Wojcik - bass
Andrzej Dabrowski - drums

Kurylewicz's biggest "hit" was the title score song made for 1970's TV series "Polskie Drogi". The song from this movie was recorded and re-interpreted by many artists (not only in Poland but also) worldwide. Including Pat Metheny! And what about GO RIGHT? This is the first Polish jazz LP album ever but unfortunately since late 1960's Kurylewicz began drifting from jazz field more toward contemporary classical music. --- rateyourmusic.com
