(for the tracks representing the Warner Bros. 1945 film Rhapsody In Blue), plus tracks from the Columbia film Cover Girl (1944), and the 20th Century-Fox film The Shocking Miss Pilgrim (1947).

Oddly, Judy's renditions of "Bidin' My Time", "But Not For Me", "Could You Use Me" (with Mickey Rooney), the outtake "Bronco Busters" (with Rooney and Nancy Walker), and the deleted reprise of "Embraceable You" (with Rooney) are all left off this CD. ---thejudyroom.com
