Emboldened by the popularity of *Inner Mounting Flame* among rock audiences, the first Mahavishnu Orchestra set out to further define and refine its blistering jazz-rock direction in its second -- and, no thanks to internal feuding, last -- studio album. Although it has much of the screaming rock energy and sometimes exaggerated competitive frenzy of its predecessor, *Birds of Fire* is audibly more varied in texture, even more tightly organized, and thankfully more musical in content. A remarkable example of precisely choreographed, high-speed solo trading -- with John McLaughlin, Jerry Goodman, and Jan Hammer all of one mind, supported by Billy Cobham's machine-gun drumming and Rick Laird's dancing bass -- can be heard on the aptly named "One Word," and the title track is a defining moment of the group's nearly atonal fury. The band also takes time out for a brief bit of spaced-out electronic burbling and static called "Sapphire Bullets of Pure Love." Yet the most enticing pieces of music on the record are the
