Anthony Wonsey Trio - Another Perspective (1996)

01. *Blue Pearl* (5:21) 02. *Lover* (4:27) 03. *Song for Constance* (8:08) 04. *Wise Man Willis* (5:50) 05. *I'll Keep Loving You* (5:29) 06. *Marmalade* (5:56) 07. *Herbie's Hands* (6:25) 08. *We're All Together* (5:46) 09. *Who Can I Turn To?* (5:34) 10. *Duid Deed* (8:22) Anthony Wonsey — piano; Christian McBride — bass; Carl Allen — drums.

Throughout this fine trio outing with bassist Christian McBride and drummer Carl Allen, pianist Anthony Wonsey demonstrates his expertise in straight-ahead jazz. His very interesting repertoire includes four Bud Powell tunes, two originals, Nicholas Payton's "Herbie's Hands," Hank Jones' catchy "We're All Together" and a pair of standards. Wonsey sometimes sounds close to Powell, while at other times, he lets his own musical personality shine through. Excellent music in the bop mainstream. --- Scott Yanow, Rovi
