VII* :: *Soul of Things, Var. VIII* :: *Soul of Things, Var. IX* :: *Soul of Things, Var. X* :: *Soul of Things, Var. XI* :: *Soul of Things, Var. XII* :: *Soul of Things, Var. XIII* Musicians: Tomasz Stanko (trumpet); Marcin Wasilewski (piano); Slawomir Kurkiewicz (upright bass); Michal Miszkiewicz (drums).

Exceptional balladesque album by the great darktoned trumpeter and his excellent young Polish quartet. There is a timeless feel to 'Soul of Things' that relates to Stanko's roots as a player. The forward-looking musician is also looking back here, and re-connecting with early influences. He triggers memories of his first heroes - memories of Miles, memories of Chet Baker - in his lonesome, soulful soliloquies. --- ecmrecords.com
