Ariadna Thalía Sodi Miranda (born August 26, 1971), known simply by the mononym Thalía, is a Mexican singer and actress. She has sold over 20 million albums worldwide. She has sung in spanish, english, french, portuguese and tagalog. Thalía achieved worldwide success in music with her 1997 album Amor a la Mexicana, which is her best-selling album up to date. Thalía's first studio album that was released globally was En éxtasis which included her first international hit, "Piel morena". Thalía's number-one hits also include "Entre el mar y una estrella", "No me enseñaste", "Tú y Yo", "Cerca de ti". In 2009, her live album "Primera Fila" achieved diamond and multiplatinum certifications in many countries, being the first live album with a diamond sales certification by a solo artist ever. Thalia has been nominated for various Latin Grammy, Billboard and many other awards throughout her career, being considered as one of the most reknown latin singers globally. Apart from her success in music, she also rose to international fame because of her starring in very successful soap operas like Marimar and María la del barrio. Thalia's "telenovelas" have been watched by over two billion people in more than 180 countries. Thalia has achieved to maintain her autonomy and her status as a powerful woman within the recording industry because of her multifaceted career in many different fields of art. She is also an occasional author and businesswoman. ---last.fm
