Zaz - Sur la route (2015)

01. On ira (4:15) 02. Le long de la route (4:18) 03. Cette journée (3:55) 04. Eblouie par la nuit (3:54) 05. Comme ci, comme ça (2:43) 06. Si (2:36) 07. Si je perds (5:17) 08. La fée (5:21) 09. Déterre (4:35) 10. Je veux (5:20) 11. Si jamais j'oublie (3:28)

All live recordings, sometimes with her introduction to a song, which is nice and in theme with the album as a whole. Includes "Si jamais j'oublie," a personal favorite. My teenaged French students also like her style. (Actually, some of the girls have said, "I LOVE this!" after listening for about six seconds.) Creative CD cover; lyrics not included in the pamphlet. Comes with a DVD, but it is imported (Region 2, so not playable on U.S. DVD players). I like most of the songs on this album, and there were a few that I just HAD to have, so it seems fair to rate it five stars. ---Shula, amazon.com
