"I consider being in the music industry like an intimate relationship where I give it my all — love, time, energy, blood, sweat, and tears," says singer and songwriter Jazmine Sullivan. "As much as I put into this relationship, with all of its ups and downs, I'm just asking for the industry and the fans to love me back. That's why I've called my new album Love Me Back." 2010 sophomore album from the seven-time Grammy nominated singer/songwriter. Producers on the album include Ne-Yo, Los da Mystro, Ryan Leslie, Lamb, Missy Elliott and Salaam Remi. Jazmine's first album, Fearless, was certified gold and debuted at #2 on the Billboard R&B Albums Chart. Jazmine has won a BET Centric Award and has been nominated for 11 additional industry awards.
