Frank McComb is one of the most exceptional musicians and Vocalist of our time. He simply allows his works of art to create the intimate picture to reflect each listener lives. His current works will not disappoint new and old listeners. He simply expresses the experience of every day struggles and the wonderful faith we develop thru the process of living with music as the soundtrack. You will be inspired and uplifted by every phrase, word, and vocal inflection as well as the embrace of every note. To find your soul filled with music the will accompany your memories as time goes by. The seeds of this beautiful music will continue to Grow! ---EW "SoulOrigin"
