On Gokey's new album, *Hope in Front of Me*, the Milwaukee native delivers a potent collection of songs brought vividly to life by his warm, soulful voice. The project percolates with energy on such vibrant up tempo tunes as "Take it to the Limit" and simmers with emotion on such tunes as the compelling title track where he sings "I know in my soul no matter how bad it gets, I'll be alright. There's hope in front of me." For Gokey, those words are more than just lyrics to a great song. They define his life and underscore his mission to reach others with hope and entertainment. --- newreleasetuesday.com
