Sweet California is a Madrid-based girl group made up of One Direction-inspired pop singers Rocío Cabrera, Sonia Gómez, and Alba Reig. Known for their vitality and colorful image, they hit the charts at home with their first single, "Infatuated." Produced by Tony Sánchez-Ohlsson (Auryn, Pastora Soler), their bubbly, Auto-Tune-suffused debut album, Break of Day, was released by Warner Music in 2014 and went to number one in Spain. --- Marcy Donelson, Rovi
